

LEXAMED PRESENTS: MEET THE EXPERTS

Tuesday, October 26th, 2010

9 AM—4 PM

The Marquette

710 Marquette Avenue

Minneapolis, Minnesota 55402

Cost: \$250 (Lunch will be provided)

Interactive Learning Session with Industry Subject Matter Experts

COMPLAINEE ISSUES FACING INDUSTRY

- ETHYLENE OXIDE STERILIZATION
- BIOLOGICAL INDICATORS
- RADIATION STERILIZATION
- ASEPTIC PROCESSING / MANUFACTURING

INTERACTIVE OPEN QUESTION FORUM TO PANEL OF LEXAMED EXPERTS

- PAST AND PRESENT AAMI/ISO STERILIZATION CO-CHAIRS
- CURRENT INDUSTRY CONSULTANTS
- RECOGNIZED EXPERTS
- RECENT CASE STUDIES ON COMPLIANCE ISSUES

UNIQUE OPPORTUNITY TO LEARN FROM AND DISCUSS YOUR SPECIFIC QUESTIONS WITH INDUSTRY RECOGNIZED SUBJECT MATTER EXPERTS!

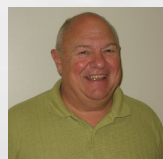

Carolyn Kinsley. MS Microbiology. Past ISO/AAMI co-chair Industrial Ethylene Oxide Sterilization. Current member AAMI working groups addressing EO, radiation and microbiology. Over 35 years industry experience. SME: EO sterilization, radiation – gamma and e-beam sterilization, dry heat sterilization, microbiology, medical device QA/QC.

Philip Schneider. MS Microbiology. Current AAMI co-chair Biological Indicators. Current AAMI co-chair Hospital Ethylene Oxide Hospital Practices. Current ISO Convener Biological Indicators. Current member of AAMI working groups addressing BIs, chemical indicators, hospital steam sterilization. Over 35 years of industrial experience. SME: BIs, CIs, environmental monitoring, hospital practices, microbial barrier property determination, novel sterilization processes.

Robert Reich. MS Microbiology. Past AAMI co-chair Industrial Ethylene Oxide. Current member AAMI working groups addressing aseptic processing, EO, packaging, microbial methods, novel sterilization processes, BIs. Over 35 years of industrial experience. SME: EO, microbiology, packaging, environmental monitoring, aseptic processing, BIs.

James Kulla. MS Microbiology. Current member of ISO/AAMI aseptic processing/manufacturing working group. Also active participant in AAMI working groups addressing microbiological methods, liquid chemical sterilants, novel sterilants. Over 40 years industrial experience. SME: aseptic processing/manufacturing, medical device QA/QC, environmental monitoring.

To register, please contact Becky Gilsdorf at (419) 693-5307 / (888) 232-5227 or bgilsdorf@lexamed.net
